- PS5.1. Personal care attendants are only permitted for competitors where assistance is permitted on their code of exceptions. Such attendants will be excluded from any restrictions and will be given the same accreditation as the competitor for whom they have personal care responsibilities.
- PS5.2. A Para-Swimming competitor who has assistance as specified in Clause 4.2 may have both a coach and a personal care attendant present. The personal care attendant accreditation will be free-of-charge.

PS6. COMPETITION FORMAT

- PS6.1. Male and female Para-Swimming competitors will swim in separate events; however, all classes of swimmers will swim together (Multi-Classification).
- PS6.2. There will be the appropriate number of heats (dependent upon entries) and a final for each event only where more than one heat was necessary. No semi-finals or "B" finals will be held.
- PS6.3. Final positions/finalists will be determined by the number of British Para-Swimming (BPS) points attained by each Para-Swimming competitor in their heat according to the competitor's classification, the stroke and the distance. In the circumstance that a final is necessary, the top 10 Para-Swimming competitors based on BPS points will be selected to swim. There will be no reserves.
- PS6.4. If a final is required, it will be swum before the Junior Final in the Schedule of Events for the event concerned.
- PS6.5. In the event of a dead-heat of equal BPS points for a specific classification, there will be no swim-off and both competitors will be awarded the same position.
- PS6.6. In the event of a dead-heat of equal BPS points which results in the number of finalists exceeding ten, a swim-off shall take place to determine which of those swimmers shall go forward to the final.
- PS6.7. Para-swimming competitors will be included in the multi-classification results and placed within those results according to their attainment of British Para-Swimming points.
- PS6.8. An official, who holds the qualification of ASA Disability Official, will be appointed and will act as a technical advisor in each of the sessions where para-swimming competitors are entered.

- PS7.4. Where there are only two competitors in an event, only the winner will receive a medal.
- PS7.5. If there is only one para-swimming competitor in an event, they will receive a medal only if they swim faster than their entry time.
